Hey Roger, I hope all is well. We got this congressional request a couple of weeks ago from a lady who lives near Coplay Aggregates in Whitehall. I was out all last week and am now following up on the congressional and her concerns. I see you were included in the e-mail thread as being the person who would respond to her concerns from the state side. I am drafting a response to Senator Toomey and wanted to find out if you have or are planning to conduct an inspection at the site, and whether or not you have reached out to her yet to discuss her concerns. Thanks for any update you can give me. regards

Hi Walt. Hope all is well. We received in a controlled correspondence regarding CoPlay (see attached). We are replying – Could you please provide us contact from PADEP to discuss this issue with the resident so we can reference that in our response? Also, thinking it may not be a bad idea for WB office to send an inspector.

Thanks in advance.
